

Registration for the Online Interview

for candidates

Google Meet

Step 1

WARNING!

The application process for some faculties includes an interview. **Online form** is available only for candidates **not residing in Poland**.

If the interview is conducted to confirm language proficiency, it can be replaced by a **language certificate**.

At the Art faculties, an interview is **mandatory**.

The screenshot shows a user interface for a university application portal. At the top, a red notification banner with an exclamation mark icon reads: "Hey! Please be aware that the studies you've selected require an interview. Please visit a 'My studies' page and book a term." Below this, the main content area is divided into several sections:

- Profile Card:** Features a profile picture of a man in a red hoodie. A yellow box below the picture states: "Your account is being verified by the recruiting department. The account number for payments will be available when it is complete." Below the box are two buttons: "My studies" and "Personal data edition".
- Study Details:** A table with the following data:

Study	Mode	Type	Localization	Number of semesters
ComputerScience	FullTime	Engineer	Warsaw	7
- Application form:** A section with a warning icon and text: "Download and fill out an application form. Then upload it using the panel visible on the right." Below this is a red button labeled "Download application form".
- Interviews:** A section with a warning icon and text: "These studies require you to sign up for an interview." Below this is a red button labeled "Sign up".
- Required documents:** A list of documents with corresponding "Upload" buttons:
 - Apostille or Legalisation
 - Application form (download from the website)
 - Certificate of completion of secondary education
 - Photocopy of passport
 - Translation of marks and certificate

Interviews

These studies require you to sign up for an interview.

Apostille or Legalisation Upload

Application form (download from the website) Upload

Certificate of completion of secondary education Upload

Photocopy of passport Upload

Translation of marks and certificate Upload

Number of semesters
7

Since the interviews are held on **Google Meet** platform, during the registration you must use an email only from **Google account**.

All the interviews dates are given in **polish time**.

Step 3

WARNING!

If during the sign up, you get a pop-up window with an error (as in the screenshot) then there were no vacancies left for this interview.

Try signing up for the next interview or wait for new dates to appear in the system. It is worth periodically checking the availability of dates.

It is also important to know that you must keep track of new interview dates by yourself because you will not receive email notifications of new dates.

Qualifying interviews

These studies require you to sign up for an interview.

Sign up

An error occurred on the server. If the problem persists, try refreshing a whole page. For help, please contact with an Enrollment department (enrollment@pwr.edu.pl)

Step 4

After signing up for an interview, a new tab will appear in the menu under the photo. Here, you can see all the interviews that you registered earlier.

Also, note the time written in the blue circle. At this time, the representative of the commission will contact you for the start of the interview.

Please remember that the given time of your interview is only orientative and may slightly vary from the actual interview start time.

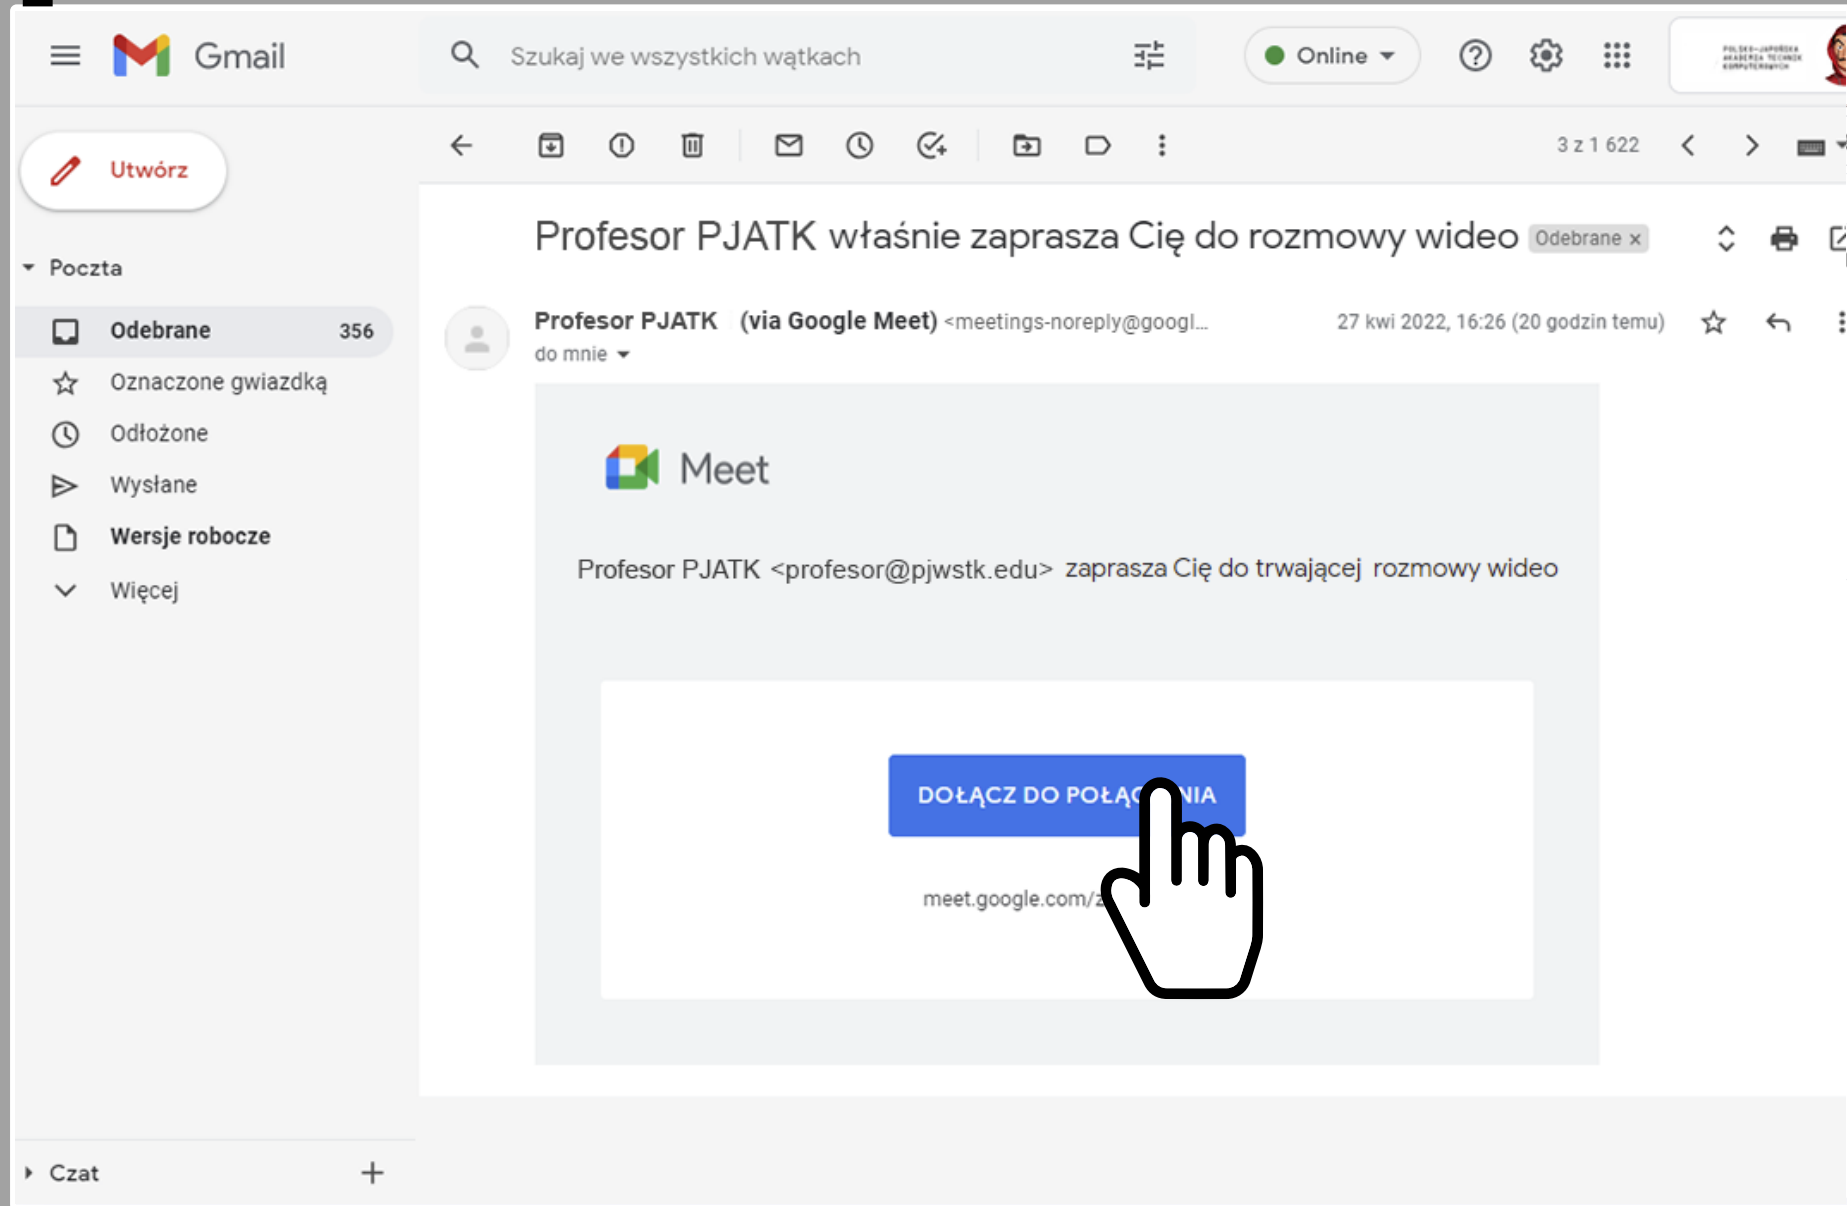

The screenshot displays a user profile interface. On the left, there is a profile picture placeholder showing a red hoodie. Below it, a yellow notification box reads: "Your account is being verified by the recruiting department. The account number for payments will be available when it is complete." Underneath the notification are three menu items: "My studies", "Personal data edition", and "My interviews", with the last one highlighted and a hand cursor pointing to it. On the right side of the profile, a blue circle contains the time "14:48" and the date "13.04.2022". Next to it, the job title "Information Technology Engineer, full-time, Polish" is displayed. Below this, the language is set to "Polish" and the type is "Remote - Linguistic". At the bottom of the right panel, there is a light blue button with a Google Meet icon and the text "Speak to you soon!", and a red trash icon.

Step 5

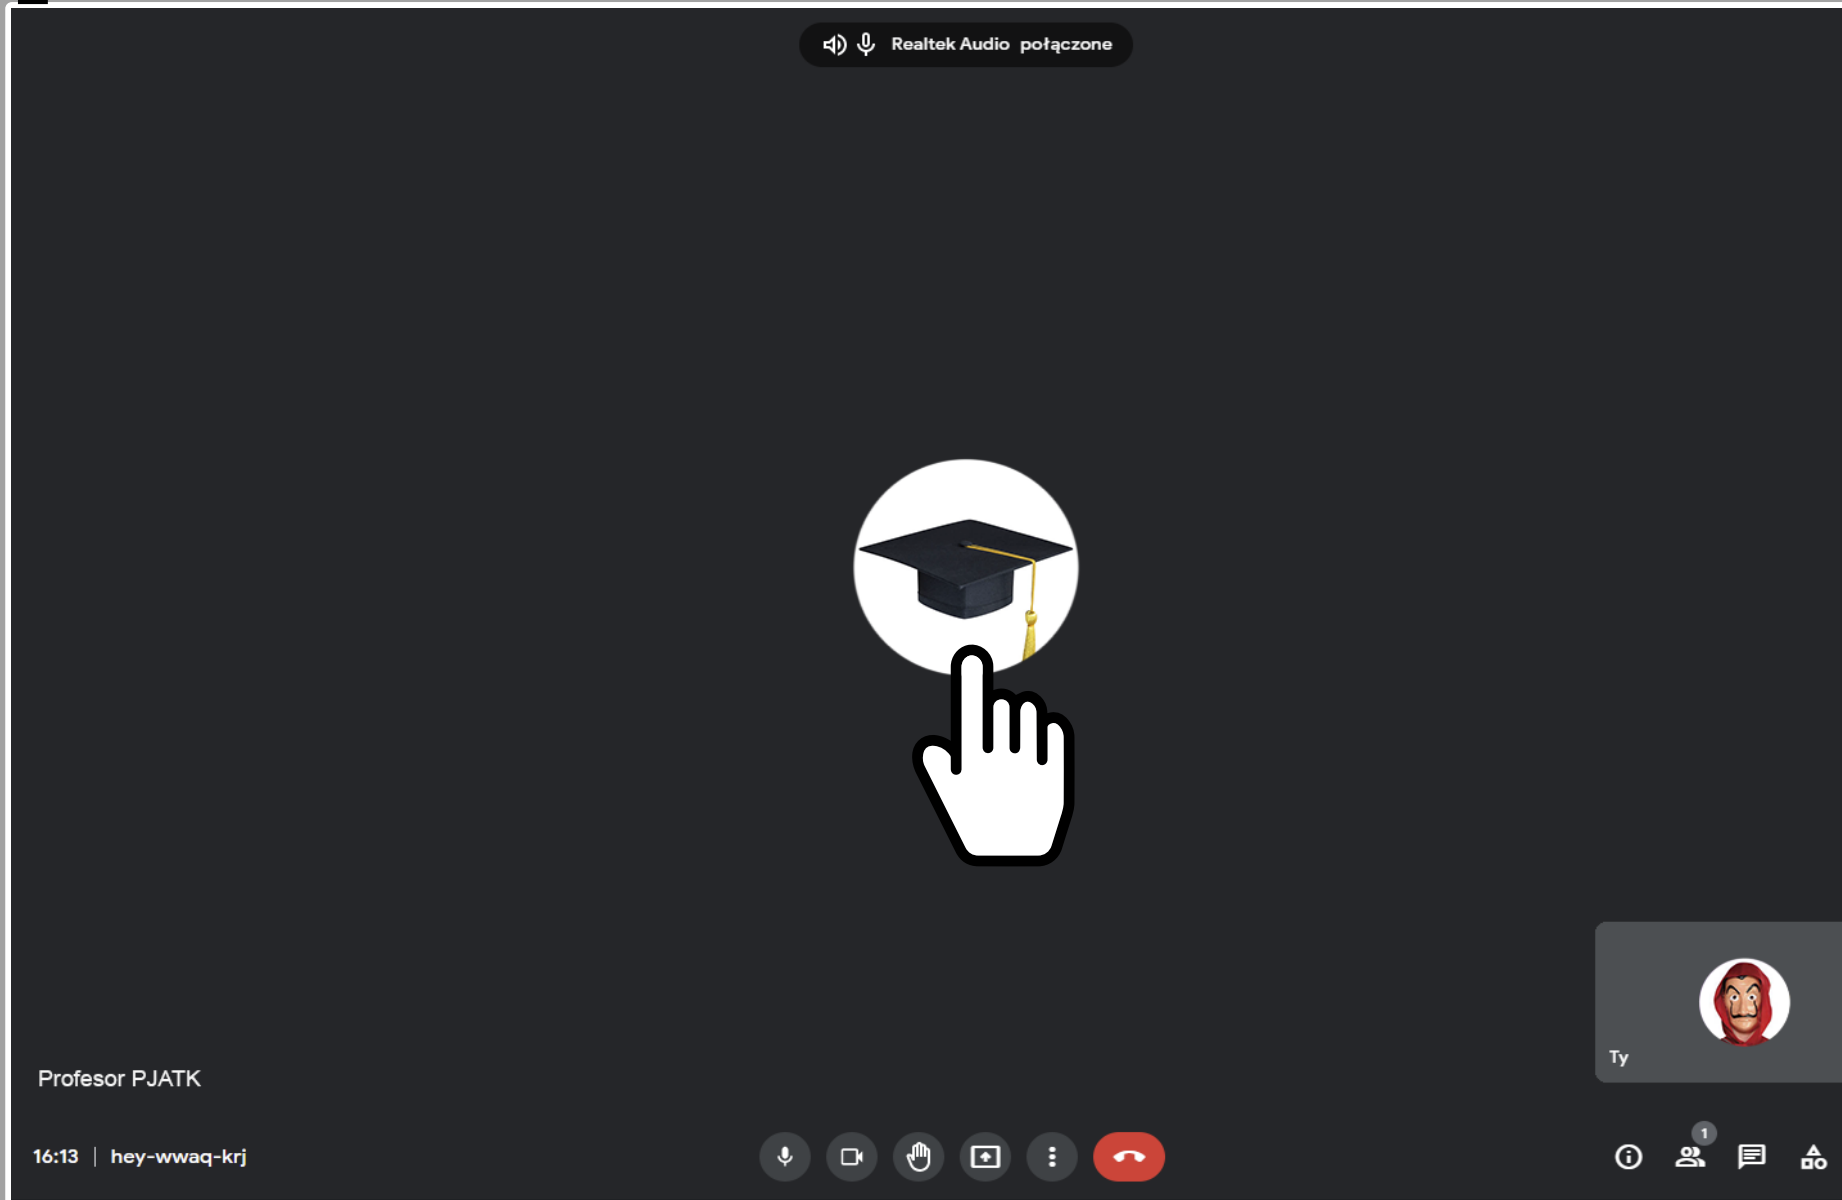

At the appointed time, you will receive an email on Google mail with an invitation to be added to the video chat with the teacher, who is conducting the interview.

Remember that the device you will be using for the interview must have a properly functioning **camera** and **microphone**.

Before the interview, prepare your **passport** to be shown to the teacher in order to verify your personality.

Step 6

After passing the interview, the results will be sent to your email, and will also appear on our portal during the next working day.
